#### The Advantages

- ~ Much higher route service level since you always have a working bus (replacement bus)
- ~ Great looking buses all the time (paint is never older than 6 years)
- ~ Never have an engine or suspension repair (always in warranty)
- ~ May need less staff than with a larger fleet of much older buses
- ~ Get access to our field service which raises your service level even more.
- ~ The district always knows what the cost for maintenance and acquisition will be (better budgeting)
- ~ Eliminate Summer heavy repair push
